A PRIVATE FACILITY BUILT FOR BRAND SHOOTS

Selfies from the 6ix (SF6iX) is the GTA's first selfie museum and content creation space, based in Mississauga. An Exclusive Session gives you the entire facility, all 14 themed sets, nobody else in the building, from \$149.99 per hour.

WHAT FULL SERVICE ADDS

Your booking already covers the rooms. Full Service puts our team behind the camera: direction agreed before the day, a crew shooting it, and finished, platform-ready assets delivered afterwards.
